ENRICHING LIVES AS WE AGE

As life expectancy lengthens, communities need to embrace opportunities and challenges to help aging adults maintain their dignity, independence and sense of usefulness. Peninsula Volunteers, Inc. (PVI) provides innovative services and housing to support seniors in the mid-Peninsula and Silicon Valley.

PVI operates four programs where aging adults are cared for, respected, and engaged as vital community members: Senior Affordable Housing, Little House Activity Center, Meals on Wheels, and Rosener House.

Focusing on an active mind and body, experienced in a social environment, allows aging adults to embrace aging with health and a sense of self-worth and self-sufficiency - improving their quality of life.

To learn more about PVI programs or volunteering with PVI, please visit www.penvol.org | call 650-326-0665.

During the months of January through March 2016, Sereno Group Real Estate and its Palo Alto agents will be contributing 1% of their gross commissions to the Peninsula Volunteers, Inc fund.
