

WHO IS MY NEIGHBOR?

A number of our young people here in the mid-peninsula lack the sense of connectedness and direction they need to thrive. To meet their needs, Youth Community Service (YCS) engages more than 1,200 middle and high school students each year in meaningful service-based learning. Through life skills classes and leadership programs, participating youth gain a sense of purpose and confidence in their ability to positively impact the lives of others in their community.

Engaged by their new sense of interwoven destinies, these young people are well on their way to becoming tomorrow's informed, collaborative and compassionate leaders. Across diverse communities, students in Youth Community Service programs use their hearts, heads and hands to answer the question, "Who is My Neighbor?" Sereno Group is very proud to support these young people as – together – they discover the power of service to others.

For more information about programs or how you can get involved, please visit youthcommunityservice.org

FROM JANUARY TO MARCH 2014, SERENO GROUP AND ITS PALO ALTO AGENTS WILL BE CONTRIBUTING 1% OF THEIR GROSS COMMISSIONS TO YOUTH COMMUNITY SERVICE.
