

**A place to discover
you're not alone**

HERE
FOR
GOOD.™

At **Hospice of Santa Cruz County**, we are committed to helping youth grieving the death of a loved one find hope and healing, and discover they are not alone. Through Children's Grief Support at Hospice, kids aged 6-17 have access to specialized counseling, grief education in schools, and Camp Erin – an annual weekend of fun, friends, and discovery. Through this program, more than 600 youth each year develop tools they can use throughout their lives to manage stress, improve mental health, and to thrive.

Learn more about Hospice of Santa Cruz County's vision that all people in our community live and die with dignity at
www.hospicesantacruz.org

1% for Good provides grants to local organizations that are active in improving our communities. Sereno Group Santa Cruz will be supporting Hospice of Santa Cruz County from July through September 2018.
