

Sereno 1% For Good Believes Everyone Deserves to Live Free from Violence and Abuse.

That's why our **Sereno Santa Cruz** team is supporting **Monarch Services** with a Community Impact Grant. Monarch Services empowers individuals and families to take action against violence and abuse. Services provided include a 24-hour bilingual crisis and support line, emergency shelter, counseling, accompaniment to forensic exams, long-term housing support, legal services, and education to survivors of domestic violence, sexual, assault, and human trafficking, as well as their families. Monarch also offers services that focus on prevention and changing the social norms, attitudes, and behaviors that condone violence. Prevention services prioritize youth and teens, as well as the farm worker community.
