

# WHAT DOES A REAL ESTATE ORGANIZATION KNOW ABOUT ITS SENIOR COMMUNITY?

Located adjacent to the Saratoga Community Center, the Saratoga Senior Center (SASCC) was founded in 1981 by a group of older adults living in the Saratoga Community with the mission to serve the many different needs of the growing elderly population within the community. From that idea, the SASCC now offers a multitude of senior focused support, including health, legal, and financial services, as well as providing a comfortable and friendly social hub for its members.

We have chosen to donate to this cause to bring awareness to our community about our small but mighty Senior Center. Programs at the Senior Center and Adult Care Center are funded almost entirely by memberships, fees, and donations, and is itself an aging facility that is in need of upgrades. We are proud to contribute towards making our Senior Center a wonderful place for our seniors to enjoy.

FOR THE MONTHS OF JANUARY THROUGH JUNE 2013, SERENO GROUP SARATOGA IS CONTRIBUTING 1% OF OUR GROSS COMMISSION INCOME TO THE SARATOGA SENIOR CENTER.
