Alzheimer's disease is the fifth-leading cause of death in California, and the only cause of death among the top 10 in the United States that cannot be prevented, cured or even slowed.

The Alzheimer's Association® is the leading voluntary health organization in Alzheimer's care, support and research. Every dollar raised through Walk to End Alzheimer's® will help make a difference in the lives of millions of Americans facing the disease today – including the more than 610,000 Californians with Alzheimer's and their over 1.5 million caregivers – while advancing research towards prevention, treatment and, ultimately, a cure.

To learn more or join the fight against the disease, visit alz.org/walk or call 800-272-3900.

During the months of January through March 2017, Sereno Group Real Estate and its Los Gatos agents will be contributing 1% of their gross commissions to support *Walk to End Alzheimer's*.
