Cycles of Hope.

Hope Services mission is to improve the quality of life for individuals with developmental disabilities. The Cycles of Hope Program provides skilled employment for Hope participants. All of our bikes are refurbished and repaired by Hope participants and all funds go directly to their wages and the repair program. Our bikes are generously donated by individuals, local universities and businesses. It gives consumers the opportunity to get a great deal on a high-quality refurbished bicycle at a low price point while supporting their community.

To volunteer, donate or learn more about Cycles of Hope please visit www.hopeservices.org.

1% for Good provides grants to local organizations that are active in improving our communities. Sereno Group Los Gatos will be supporting Cycles for Hope from October to December 2017.
