GOOD.™

“Midtown is a beacon of help and hope to the many disadvantaged families in Silicon Valley, known as the “Working Poor”. We are committed to providing that community an array of much needed services.”

With the support of our funding partner agencies, MFS provides homelessness prevention programs such as “Emergency Rental Assistance.” Through our program, families who have incurred financial hardship due to unexpected circumstances such as medical bills, job loss, etc., can obtain one-time rental assistance and ensure that they remain housed.

MFS understands that for many working families in our county it is very difficult to come up with move-in costs, causing many families to remain homeless. MFS helps individuals and families moving from homelessness or unsuitable housing into permanent sustainable housing in the form of Security Deposit Assistance.
