

Preparing to lead as **GLOBAL CITIZENS** in a rapidly changing world

World Savvy

World Savvy is a national nonprofit organization that proudly started in the San Francisco Bay Area in 2002. Its mission is to educate and engage youth to learn, work, and thrive as responsible global citizens in the 21st century. Its innovative programs, World Savvy Classrooms and the Global Competence Certificate, help teachers advance global education with today's youth.

Through Sereno Group's help in underwriting several teachers' participation in World Savvy Classrooms and the Global Competence Certificate (CEU track), World Savvy will support Los Gatos educators as they extend their knowledge and skills to further transform the way our young people are being educated for success in our changing world.

Sereno Group is honored to support World Savvy and their commitment to educating the youth of our community.

Visit WorldSavvy.org and GlobalCompetenceCertificate.org to learn more about how districts, schools, and educators across the nation are catalyzing meaningful global teaching and learning for all students.

**DURING THE MONTHS OF MARCH THROUGH JUNE 2015,
SERENO GROUP AND ITS LOS GATOS AGENTS WILL BE CONTRIBUTING
1% OF THEIR GROSS COMMISSIONS TO WORLD SAVVY.**
