

# FUNDING THE FUTURE

*Providing students with more opportunities  
for academic achievement and lifelong success.*

The Fremont Union High Schools Foundation (FUHSF) is a group of parents and community stakeholders whose primary goal is to raise funds in an effort to close the gap between district funding and students' programmatic needs. FUHSF funds are equitably distributed across five high schools, serving more than 10,500 students, in the Fremont Union High School District in Sunnyvale.

FUHSF provides critical support to build students' 21st century skills, with funding for programs such as STEM (Science/Technology/Engineering/Math), robotics club, journalism program, athletics equipment, theatre arts and music, teacher grants and much more!
