

IMPROVING HOMES & LIVES

Sereno Group's Saratoga agents worked together with RTSV this spring to help an elderly Saratoga widow with critical home repairs.

Rebuilding Together Silicon Valley (RTSV) believes that everyone deserves to live in a safe and healthy home. RTSV provides critical home repairs to over 300 clients per year. These home repairs, like installing accessibility modifications and energy efficient upgrades, are done at no cost to the homeowner. The majority of the homeowners served are elderly seniors and/or people with disabilities, who are physically and financially unable to maintain safe living conditions for themselves and their families.

To learn more, please visit www.rebuildingtogethersv.org

During the months of January through May 2016, Sereno Group Real Estate and its Saratoga agents will be contributing 1% of their gross commission to Rebuilding Together Silicon Valley.
