

Birding, Education & Conservation

The Santa Clara Valley Audubon Society promotes the enjoyment, understanding, and protection of birds and other wildlife by engaging people of all ages in birding, education, and conservation.

We are all about Birding - We create opportunities to experience and appreciate the beauty of birds and their place in the natural world. Education - We strive to educate our region's diverse population about the importance of preserving open spaces for both wildlife and our own well-being. Conservation - Our work promotes the protection of native wildlife through the restoration of habitats and safe migration corridors.

For more information about the Santa Clara Valley Audubon Society and how you can get involved, please visit www.scvas.org.

During the months of August through October 2017, Sereno Group and its Saratoga Agents will be contributing 1% of their gross commissions to Santa Clara Valley Audubon Society.
