 Bill Wilson Center

HERE  
FOR  
GOOD.™

Bill Wilson Center is working to ensure that every homeless youth in Santa Clara County has access to the range of services needed to grow to be healthy and self-sufficient adults. BWC has been providing housing, counseling, advocacy and supportive services to young families and runaway, homeless and foster youth since 1973. BWC's housing programs provide support in a safe living environment where youth and young families learn the skills to achieve long-term independence and stability.

A key component of BWC's philosophy encompasses a strength-based approach to a person's development. Our staff identifies the strengths in each person and build on those strengths so they may be empowered to make positive changes in their lives.
