REINVENTING HOPE FOR THE HOMELESS

Breakthrough Outreach Shelters Network is a Silicon Valley based 501 (c) (3) non-profit that uses innovative approaches to help the homeless transform their lives.

The *Hi Tech Rover* Program

On the front lines at parks, churches and homeless encampments

- Each Rover resembles a hi-tech style computer lab that offers Wi-Fi, access to computers and printers. Two 48-inch digital display are also available that can be used to create outdoor classrooms.
- Email set up and internet training for job/housing searches. Resume creation and submission.
- Assistance with rental applications, budget counseling and possible relocation to more affordable areas.
- Vast network of resource referrals are offered such as family re-connection, detox/recovery and social services.
- Onboard career closet, showers, and grooming stations are provided.

BOSN volunteers are changing lives one by one by providing hi-tech solutions in a compassionate and caring environment to our most vulnerable citizens.
