

# Sereno 1% For Good Believes that Every Pet Deserves a Loving Home

That's why our **Sereno Willow Glen** team is supporting **Humane Society Silicon Valley** with a Community Impact Grant. Humane Society Silicon Valley is a shelter that is like no other shelter in the country. Not only is it an amazing place for animals, it's an amazing place for people. At Humane Society Silicon Valley they are building a more compassionate community by saving homeless pets and helping pet owners in need.
