GOOD.™

Rebuilding Together Silicon Valley believes everyone deserves to live in a safe and healthy home. For over 25 years, this non-profit organization has transformed the lives of low-income homeowners by providing critical home safety repairs to preserve affordable homeownership and restore safe living environments. In our community, many seniors, veterans and disabled families are living in dangerous and unsafe homes, at risk of falls and injuries and do not have the money to make necessary repairs. Rebuilding Together Silicon Valley repairs keep homeowners out of shelters and care facilities and ensure safe, dry and warm housing. The impact extends beyond homes to revitalize neighborhoods across Santa Clara County.
