

A PLACE TO BELONG & GROW

Recovery Café San José is a healing community for those traumatized by addiction, homelessness, and mental health challenges. Located in the heart of downtown San Jose, *RCSJ* is a place where anyone seeking recovery can come for meals, support groups, classes in job and life skills, connections to community resources, and social activities in a sober and supportive environment.

Since opening in April 2014, *RCSJ* has supported many hundreds of individuals in their recovery, helping them to reach such goals as family reunification, and achieving the stability to gain—and maintain—housing and employment.
