

SUNDAYS MAKE A DIFFERENCE

The Working Alternative To Charity

Sunday Friends empowers families to break the generational cycle of poverty by fostering positive development in children while educating and guiding parents to support their children's life success. They do this in a unique way. They are called "The Working Alternative to Charity" because families can earn basic necessities while they work and learn. No handouts! Each activity at Sunday Friends is carefully designed to teach skills the families need to improve their family functioning, enhance their personal development, encourage children's academic success, and lift themselves out of poverty.
