TEXT: Genesis 37-50

I. WHEN I DREAM

- 33% of your lifetime is spent dreaming.
- 100% of us dream. However, most don't remember what they dream.
- 1-2 hours every night is spent dreaming with between 4-7 dreams per night.
- 5 minutes after the end of a dream 50% of the content is forgotten. After 10 minutes 90% is lost.
- You cannot dream and snore at the same time.

Dreamer (Biblical def.): A person with an inner desire to be something or do something significant for God with their lives.
