TEXT: 1 Thessalonians 2:7-10; Proverbs 23:25

There are three influences God has placed in Moms that help us be the best version of ourselves:

I. MIRRORS OF HOPE

1 Thess. 2:7-8

- They genuinely care for us
- They share their lives for our good

II. ORCHESTRATORS OF STRENGTH

1 Thess. 2:9-10

- They show us the value of hard work
- They call us to high goals (holy, righteous and blameless)

III. MODELS OF JOY

- The natural response of a mom is joy *Prov. 23:25; Ps. 113:5*
- She is a living reminder of what we are supposed to do always *Phil. 4:4*
