

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2015 with regard to energy labelling of light sources

**Supplier's name or trade mark:** Näve Leuchten

**Supplier's address:** Technik, Austraße 5 74760 Forchtenberg Deutschland

**Model identifier:** 1176259

## Type of light source:

|                                                     |      |                                 |    |
|-----------------------------------------------------|------|---------------------------------|----|
| Lighting technology used:                           | LED  | Non-directional or directional: | -  |
| Light source cap-type (or other electric interface) | Lamp |                                 |    |
| Mains or non-mains:                                 | -    | Connected light source (CLS):   | No |
| Colour-tuneable light source:                       | No   | Envelope:                       | -  |
| High luminance light source:                        | No   |                                 |    |
| Anti-glare shield:                                  | No   | Dimmable:                       | -  |

## Product parameters

| Parameter                                                                                                                                      | Value                   | Parameter                                                                                                                                                  | Value                  |
|------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|
| <b>General product parameters:</b>                                                                                                             |                         |                                                                                                                                                            |                        |
| Energy consumption in on-mode (kWh/1000 h), rounded up to the nearest integer                                                                  | 6                       | Energy efficiency class                                                                                                                                    | E                      |
| Useful luminous flux ( $\phi_{use}$ ), indicating if it refers to the flux in a sphere (360°), in a wide cone (120°) or in a narrow cone (90°) | 580 in Wide cone (120°) | Correlated colour temperature, rounded to the nearest 100 K, or the range of correlated colour temperatures, rounded to the nearest 100 K, that can be set | 3 000                  |
| On-mode power ( $P_{on}$ ), expressed in W                                                                                                     | 6,0                     | Standby power ( $P_{sb}$ ), expressed in W and rounded to the second decimal                                                                               | -                      |
| Networked standby power ( $P_{net}$ ) for CLS, expressed in W and rounded to the second decimal                                                | -                       | Colour rendering index, rounded to the nearest integer, or the range of CRI-values that can be set                                                         | -...-                  |
| Outer dimensions without                                                                                                                       | Height                  | Spectral power distribution in the                                                                                                                         | See image in last page |
|                                                                                                                                                | Width                   |                                                                                                                                                            |                        |
|                                                                                                                                                | Depth                   |                                                                                                                                                            |                        |

|                                                                                                   |   |                                    |                                      |   |
|---------------------------------------------------------------------------------------------------|---|------------------------------------|--------------------------------------|---|
| separate control gear, lighting control parts and non-lighting control parts, if any (millimetre) |   |                                    | range 250 nm to 800 nm, at full-load |   |
| Claim of equivalent power <sup>(a)</sup>                                                          | - | If yes, equivalent power (W)       | -                                    |   |
|                                                                                                   |   | Chromaticity coordinates (x and y) | -                                    | - |
| <b>Parameters for LED and OLED light sources:</b>                                                 |   |                                    |                                      |   |
| R9 colour rendering index value                                                                   | - | Survival factor                    | -                                    |   |
| the lumen maintenance factor                                                                      | - |                                    |                                      |   |
