

TARGETED OUTREACH NEWSLETTER

Issue 17 October 2022

Targeted Outreach Team welcome.....

Autumn is here, we hope you all had a great Summer!

The Pineapple Project

A new project has been launched in Weymouth 'The Pineapple Project' which encourages businesses in the town centre to join a pilot scheme offering young women and girls a safe space if they are feeling unsafe or threatened. The project is being led by Dorset Council, with Dorset Police, Weymouth College and Targeted Sexual Health Service (part of Sexual Health Dorset).

Open RSE Teacher Training

We have decided to offer a couple of open training sessions for Relationships and Sex education training to support the use of our Core package RSE resources.

If you have only 1 or 2 staff at your school wanting the training you can now join teachers from across Dorset and attend one of our open sessions.

- Wednesday 2nd November at Yeatman Hospital, Sherbourne

[Book Now](#)

If you are interest in attending the training please contact

C CARD TRAINING

We have a couple of training sessions for our sexual health and C Card training.

- 14th December 9.30-12.30 via MS teams

There are limited spaces please get in [touch](#) if you would like to book a space.

We are keen to encourage more venues and especially schools to sign up for the C-card scheme. This will enable your students to access free condoms thus preventing school absence for emergency contraception, pregnancy related care, STI symptoms and the emotional effects of these' Please contact us to arrange training and condom supplies at NO cost to the school.

RSE Targeted Packages

In addition to our RSE Core package, we can also offer **specialised lessons** on Sex and The Media (this includes pornography and sexting), Teenage Pregnancy, Consent, Peer on Peer Harassment and The Power of Language, but would expect students to have received the core package prior to these.

The sessions are free of charge for a small group of identified students 12-15 maximum.

Please contact [us](#) if you would like some more information.

Our updated RSE Core package resources will be arriving in your inbox soon

We will be sending out our updated Core package to all senior and middle schools in Dorset over the upcoming weeks.

If you are delivering RSE using our resources please can you return your evaluations to us so we can use the feedback to audit and adapt our core package to meet the needs of the students and teacher.

You can scan and send them to dhc.sexualhealth.promotion@nhs.net

Or post to Sexual Health Dorset @ Bournemouth

66-68 Palmerston Road

BH1 4JT

We may be able to arrange collection if we have an advisor visiting your school.

Plus you can share the online link with students to complete. [Targeted Outreach - RSE evaluation 2021 \(gthr.co.uk\)](#)

MEET THE TEAM JANINE

What is your job title?

Sexual Health Advisor

How long have you been in your role?

3 months

Tell us a little bit about yourself?

Prior to joining the outreach team I worked in the NHS as a midwife for eighteen years.

I worked at Bournemouth Hospital, in the community and at a local Sure Start Centre.

Following this I spent the last seven years working in primary and secondary schools in pastoral/safeguarding roles.

I am excited to take on this new role and the challenges it will bring and really appreciate being made to feel so welcome by everyone.

As a mum of three, boys 22 & 21 and a daughter of 11 home is usually busy. We have a house full of animals (2 dogs & 4 cats) and we enjoy getting out and about with the dogs. I like to bake (with mixed results) and I enjoy spending time outdoors.

Fresher's Events

Our wonderful team have been extremely busy promoting sexual health services cross Dorset for Fresher's.

The Sexual Health Dorset stall is always very popular with lots of goodies to win.

Events attended so far;

- Arts University Bournemouth
- AECC
- Bournemouth University
- Weymouth College
