Re: Positive Test Results

Good Afternoon,

Over the last 24 hours an additional three team members have tested positive for COVID-19. All three team members were fully vaccinated. The areas with potential low risk exposure include Bennett Place, Lancaster, and one resident on AL. Thankfully, we continue to be able to report the three positives do not appear to be related to one another or to any previous positives on campus. All residents remain on outbreak testing protocol and continue to test negative at this time.

Johnson County COVID-19 Positivity Rate = 21.5% (Red zone)*

*December 31, 2021 data provided by Kansas Department of Health and Environment.

The positivity rate in the county is escalating at an alarming pace increasing from 12.6% at our last update to 21.5% at this time. We continue to remind all of the basic core principles of combatting COVID-19. These include practicing social distancing of maintaining six feet or more from anyone outside your household, wearing a well-fitted mask covering your nose and mouth when in public areas especially anywhere on Village Shalom campus, and practice good hand hygiene.

Please do not hesitate to contact Matt Lewis at 913.266.8400 or Jamie Paredes at 913.266.8468 with any questions. Independent Living residents should contact Jill Allin with any inquiries at this time. She can be reached at 913.266.8410.

Thank you so much for your support!

Sincerely,

Matt Lewis – CEO

And Jamie Paredes – Nursing Home Administrator
