

## COVID-19 NOTIFICATION

### Weekly Report

**Date:** 2/15/2022-2/21/2022

**To:** Our Healthcare Residents, Independent Living Community, Families, Team Members and Contracted Team Members

**Re:** COVID Update

This past week, we had 3 residents test positive for COVID-19. Currently, all residents that have tested positive for COVID-19 are residing on Bennett Place. We have also had one team member from Assisted Living test positive. Anyone identified to have direct contact with this team member has been notified. Individuals impacted by positive cases will continue to be notified within 24 hours of the positive test. COVID-19 notification letters are available on the Village Shalom website.

Although the surge still continues on the downward trajectory, Village Shalom will continue maintaining the following safety measures. No more than two visitors per resident at a time.

- Visits only occur in the resident's room and that all parties wear a well-fitted mask throughout the visit,
- Programming will continue, but attendance will be limited to allow for social distancing and well-fitted masks should be worn;
- Healthcare will participate in social distancing during meals or have room trays for dining services.
- Per CMS regulation, visitors who have a positive viral test for COVID-19, symptoms of COVID-19, or currently meet the criteria for quarantine, should not come on campus.

Village Shalom continues to encourage visitors to be tested on their own within 2-3 days prior to coming on campus. This is not a requirement, but more of a best practice. We recognize this may not be realistic so it is simply a recommendation. These restrictions continue to be short term and will be re-evaluated each Monday when the Village Shalom COVID Task Force meets.

As always, do not hesitate to contact Matt Lewis at 913.266.8400 with any questions. Independent Living residents should contact Jill Allin with any inquiries at this time. She can be reached at 913.266.8410.

Thank you so much for your support!

Sincerely,

Matt Lewis – CEO

And Jamie Paredes – Nursing Home Administrator
