City of Sheldon Office Hours: Monday-Friday, 7:30am-4:30pm

In the event of extreme or dangerous weather conditions in which all Parks & Recreation programs will be cancelled, all cancellations for evening programs will be updated by 4:30 pm (Monday-Friday). After 4:30pm all decisions will be made at the program site. Programs held during office hours or on Saturdays will be updated 1 hour before the start of the program. After the 1 hour time frame has passed, all decisions will be made at the program site.

If the weather is of questionable status, recreation staff, coaches and referees shall appear at the program site where the final determination to run programs or not will be made. Games shall be postponed at the program site, only after consultation with both coaches and recreation staff concerning the reasons for the postponement. Valid reasons are related directly to the playability of the field and the safety of the players (i.e. lightning, tornado watches or warnings, and severe winter weather). **We play in drizzle/rain.** If uncertain, please call 712-324-2769.

Weather Cancellation Information will be put on these platforms:

Facebook: [Sheldon Recreation Department](#)

Twitter: [@sheldonrecdept](#)
