On Wednesday, August 10 we will be hosting our 2nd annual Homecoming Scholarship Golf Tournament at the Sheldon Golf Course and Country Club. To help make this a successful event, we are looking for some sponsors!

The money raised from this tournament will help support our Homecoming Scholarship program. Funding will allow us to award at least one \$6,000 scholarship to an eligible applicant, but our ultimate goal is to award multiple scholarships each year. Your support will help us achieve this goal.

Thank you for your consideration!

PURPOSE OF THE HOMECOMING SCHOLARSHIP:

Talented workforce recruitment and attainment has become a strategic priority for the Sheldon Chamber and Development Corporation (SCDC), and in response we have created a grant program to recruit our area's top talent back to Sheldon. We recognize that Sheldon has educated many qualified individuals over the years who have gone on and furthered their education. Additionally, our local employers have many high-quality jobs available, with great pay and benefits, for those highly qualified individuals to pursue. Our goal with this program is to do what we can to encourage those former students, and now recent college graduates, to consider coming back, making Sheldon their home and filling the high-quality jobs available locally.

THE HOMECOMING SCHOLARSHIP AWARD:

- The Sheldon Chamber and Development Corporation will award at least one \$6,000 scholarship to an eligible applicant in 2023.
- The grant winner will be able to use the scholarship dollars for student loan debt payments over the next 4 years.

"I am extremely honored and grateful to have been chosen as a homecoming scholarship winner. It is an absolute privilege to serve the community that supported me and provided me with so many opportunities growing up."

— Kelsey Storm,
Homecoming Scholarship Recipient
