

February 7, 2023

Dear Northwest Iowa Communities,

I am proud to announce the Northwest Iowa League of Cities (NWILC) High School Senior Scholarship Program. The program is open to any high school senior residing in a NWILC member community who is pursuing post-secondary education which may result in service to city government. For the 2023 application period, the League is planning to award up to five scholarships of \$1,000 each. I encourage you to share this scholarship opportunity with any high school that supports your local community. Supporting the next generation of community leaders is vital and will help bring new ideas and vibrancy to our area for years to come.

The Northwest Iowa League of Cities is an organization founded by community leaders in a 27-county area. Members work together to improve the effective and efficient operation of our local governments. The organization provides on-going education and networking opportunities - sharing experiences leading to regional success. More than 100 cities are currently members; if your community is not currently a member, I encourage you to join.

All funds used for the scholarship program are generated through private and commercial fundraising. Attached is a copy of the application and the detailed process for potential candidates.

Sincerely,

Pam Henderson

Pam Henderson

President of Northwest Iowa League of Cities
