### How can you help?

#### Volunteer with us

We conduct teaching sessions every Sunday at the Sanjay Gandhi National Park, Borivali. Join us for a session and make your contribution.

#### Sponsor the materials we need

Under our One Year One Village initiative, we are in the process of setting up amenities for the tribal students to make their studies easier.

#### Monetary Donation

As an NGO, to keep the show running, we need donors who can fund us. For every donation, we give you a report of where each rupee gets utilised.

✓ 12A/80G Certificates will be shared

## About Us

Shivprerana is a registered NGO that is committed to educating the youth as we believe educational revolution within youth is needed for India's overall development. Our mission is to reform individuals to make them capable of achieving their career.

Currently operating in and around Mumbai, we plan to create sub groups all across nation, that believes and thrives for similar cause.

We are a strong group of 11 core & 100+ voluntary members. Average age of our team is just 21 years.

## What we do for the COMMUNITY ?

### Career Guidance Seminars

On engineering, medical, competitive exams, etc.

### One Year One Village

We adopt a tribal village for one year, and work on improving the educational awareness amongst the kids.

### Book Donation Drives and Library Setup

We collect unused books from our donors and donate it at places that are in need. And if needed, we also help in setting up to full fledged library.

3700+ books donated till now at :

- ▶ Eklavya Library, Siddheshwar, Pali
- ▶ Abhinav Vidyamandir Madhyamik, Borivali
- ▶ Dnyaneshwar Gramonnati Mandal, Junnar
- ▶ Sant Tukaram Maharaj Library, Jejuri

### Job Openings & Free Courses on WhatsApp

We share job openings and free courses on our WhatsApp group which has around 500 members.

### Collaboration with other organisations

For organisations working on a similar initiative, we collaborate for helping them raise donations.

# ONE YEAR ONE VILLAGE

While conducting events across multiple tribal villages, one thing we understood was we cannot create an impact in the lives of students by just being there for a single day, the process needs to have continuous interactions with them. And that's when we decided to launch this initiative.

After multiple survey sessions, we found our first tribal village Chunapada - inside the Sanjay Gandhi National Park, Borivali. Although being right in the middle of chaotic city Mumbai, this specific village has no access to light, internet or mobile network.

Now, every Sunday, our team visits there to conduct lectures for these students.

Some other activities conducted here include :

### Educational Trip

An educational trip to Nehru Science Centre and Chhatrapati Shivaji Maharaj Museum.

### Festive Events

Apart from regular sessions, festivals like Independence Day, Women's Day, Diwali, etc. are celebrated with kids to teach them the importance of our culture and the history behind it.

### Mentoring

For students of 9th to 12th, individual sessions are conducted by our mentors every week.
