If you could have anything you want, what would it be? More money? Better looks? A great relationship with the love of your life These are means to an end. We might want them because we hope they will make us happier than ever, and they will, but the happiness won't last. This book gives you the techniques to create happiness;not by pursuing it but by creating it. You'll learn why happy people are happy and what you can do each day to feel an inner joy that boosts your mood, ...
