

For the toughest, most demanding industrial environments

1200 SERIES

Industrial-grade 1200 Series Cable Reels are precision machines, built with a minimum of components to provide years of reliable service with little or no maintenance. Made of all-steel construction in the USA, these cable reels are ideal for assembly and fabrication work areas, conveyors, utility trucks, automotive and truck work bays, and much more.

- Made in USA
- All steel construction with fiberglass/nylon drum, yellow powder-coat finish
- UL/CSA Listed

Features

- All-steel construction with fiberglass/nylon drum
- Durable yellow or black powder-coated finish
- Options include ball stop only or receptacle box
- Operating temperature range of -22°F to 194°F (-30°C to 90°C)
- Adjustable cable guide arm with 12 positions to direct cables wherever you need them
- Smooth-running 4-roller guide for minimum cable stress
- Ratchet that locks the spool to keep cable at specific extension and disengages by pulling
- Adjustable ball stop that limits cable retraction and prevents damage to cord end accessories
- Precision slip ring assembly for long life
- 6-foot feeder cord
- Safety chain hole
- Cable included
- UL and CSA Listed
- Pivot base accessory available
- One-year warranty

Base Mounting

Keep your pulls smooth from any angle.

This stocked Pivot Base accessory for cable reels lets your roll rotate up to 345° for easier, cleaner cable payout, especially when feeding at angles greater than 15°. Lightweight at just 2.89 lbs., it mounts directly in the field for quick, hassle-free setup.
