2021 Old Vines Foch

VQA Ontario

Composition: 100% Maréchal Foch

Impressions:

Unfailingly good-natured, Foch declares itself with rustically fragrant black cherry, raisin, tobacco and nutmeg. It's assertive on the palate with spiced flavours of bitter cherry and celery root, trailing to a toasty, earthy, herbal finish.

Serving suggestions:

Near 14°C with roasted or barbecued meats such as game, lamb burgers or short ribs.

When to drink: now to 2031.

Harvest:

From the Quarry Ridge Vineyard, established in 1972 by the Reimer family. Picked on September 27th when grape sugars averaged 20 ° Brix.

Vinification:

After primary and full malo-lactic fermentation in stainless steel, the wine aged 17 months in American oak barrels, of which 18 % were new, before being bottled in March 2023.

Alcohol:

12.0 %

Residual Sugar:

0.0 grams per Litre

Titratable Acidity:

8.03 grams per Litre

pH:

3.66
