EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2022, together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://www.african-gold.com/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MATHEW O'HARA

3.1 General

Listing Rule 14.4 and clause 15.2 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Mathew O'Hara, who has served as a Director since 1 April 2020 and was last re-elected on 31 July 2020, if not re-elected at this Meeting, will have held office past the third annual general meeting. Mr O'Hara, therefore, retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

Mr O'Hara is a Chartered Accountant with 16 years' professional experience in corporate finance, financial accounting and corporate governance. His experience includes being employed by, and acting as, Director, Company Secretary and Chief Financial Officer of several companies, predominantly in the resources sector. Prior to these roles, he spent more than a decade working as an Associate Director at an international accounting firm in both the Corporate Finance and Audit divisions. Mr O'Hara is currently a director of listed companies Benz Mining Corp, Peak Minerals Limited and Pearl Gull Limited.

3.3 Independence

If re-elected the Board considers Mr O'Hara will be an independent Director.

3.4 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr O'Hara will be re-elected to the Board as an independent Director.

In the event that Resolution 2 is not passed, Mr O'Hara will not join the Board as an independent Director.

3.5 Board recommendation

The Board has reviewed Mr O'Hara's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr O'Hara and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – SIMON BOLSTER

4.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Simon Bolster, who has served as a Director since 24 February 2021 and was last re-elected on 30 July 2021, retires by rotation and seeks re-election.

4.2 Qualifications and other material directorships

Mr Bolster is a geoscientist specializing in regolith, geochemistry and remote sensing. He has over 30 years of experience in the gold industry, and has worked in over 30 countries across 5 continents including 15 countries in Africa. Mr Bolster has worked for major mining companies including Normandy, Anglo American and Newmont where he held the roles of Consulting Geochemist and Global Manager of Remote Sensing and Spectral Geology. He was also head of exploration for the sackful Gryphon Resources in West Africa, managing teams that that resulted in new economic discoveries at a number of projects. He co-founded and is Managing Director of Portable PPB which is researching and developing techniques to enable gold explorers to discover gold faster and explore smarter.

4.3 Independence

If re-elected the Board does not consider Mr Bolster will be an independent Director.

4.4 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, Mr Bolster will be re-elected to the Board as a non-independent Director.

In the event that Resolution 3 is not passed, Mr Bolster will not join the Board as non-independent Director.

4.5 Board recommendation

The Board has reviewed Mr Bolster's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Bolster and recommends that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – APPROVAL OF 7.1A MANDATE

5.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$12,867,652 (based on the number of Shares on issue and the closing price of Shares on the ASX on 18 April 2023).

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

5.2 **Technical information required by Listing Rule 7.1A**

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 4:

(a) **Period for which the 7.1A Mandate is valid**

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum price**

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 5.2(b)(i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for continued investment in the Company's current assets, the acquisition of new assets or investments (including

expenses associated with such an acquisition), and/or for general working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 28 April 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.04	\$0.08	\$0.16
			50% decrease	Issue Price	50% increase
		Funds Raised			
Current	169,311,211 Shares	16,931,121 Shares	\$677,244	\$1,354,489	\$2,708,979
50% increase	253,966,817 Shares	25,396,681 Shares	\$1,015,867	\$2,031,734	\$4,063,468
100% increase	338,622,422 Shares	33,862,242 Shares	\$1,354,489	\$2,708,979	\$5,417,958

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 169,311,211 Shares on issue as at the date of this Notice.
2. The issue price set out above is the closing market price of the Shares on the ASX on 28 April 2023 (being \$0.08).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is

assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.

6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 31 May 2022 (**Previous Approval**).

During the 12 month period preceding the date of the Meeting, being on and from 31 May 2022, the Company has not issued any Equity Securities pursuant to the Previous Approval.

5.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

6. RESOLUTION 5 – CONFIRMATION OF APPOINTMENT OF AUDITOR
