6 November 2025

## Addendum to the 2025 Annual Report

Aurum Resources Limited (ASX: AUE) (the Company) provides this addendum to its Annual Report for the financial year ended 30 June 2025 announced to ASX on 1 October 2025. The purpose of this addendum is to include additional technical disclosures required by the ASX Listing Rules.

### Mineral Resource Estimates

This annual statement of Mineral Resources and Ore Reserves has been prepared in accordance with the 2012 Edition of the 'Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves' (the JORC Code 2012) and the requirements of the ASX Listing Rules. The Mineral Resource summaries are tabulated on the following pages.

#### Governance controls

All Mineral Resource Estimates are prepared by Competent Persons using data that they have reviewed and are considered to have been collected using industry standard practices and which, to the most practical degree possible are representative, unbiased, and collected with appropriate QA/QC practices in place. All Mineral Resource Estimates disclosed above have been estimated by independent consultants in accordance with the JORC Code. In addition, the existing composition of the Company's Board of Directors includes an Executive Director who is a qualified and experienced geologist with West African experience.

#### Competent Persons Statement

The Annual Mineral Resources Statement has been compiled by Mark Strizek, who is an Executive Director and shareholder of Aurum Resources Limited and is a Member of the Australasian Institute of Mining and Metallurgy (AusIMM 203150). He has sufficient experience which is relevant to the style of mineralisation and types of deposits under consideration and to the activity which he has undertaken to qualify as a Competent Person as defined in the 2012 Edition of the 'Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves' and consents to the inclusion in this report of the matters based on their information in the form and context in which it appears.

The information in this Report that relates to the Groups Mineral Resources in **Table 1** is sourced from:

- Boundiali Mineral Resources: "Boundiali indicated gold resources grows by 53% in two month" released to the Australian Securities Exchange on 6 October 2025 and available to view on [www.asx.com.au](http://www.asx.com.au).
- Napié Mineral Resources: "Napié Project Listing Rule 5.6 disclosure" released to the Australian Securities Exchange on 4 February 2025 and available to view on [www.asx.com.au](http://www.asx.com.au)

Aurum confirms that it is not aware of any new information that materially affects the information included in the original release, that all material assumptions and technical parameters underpinning the estimates in the original release continue to apply and have not materially changed. The information in this Annual Report fairly represents information and supporting documentation prepared by the Competent Person. In the case of Boundiali Mineral Resource Estimates the Competent Person is Mr Jeremy Clark who is an associate of SLR. In the case of Napié Mineral Resource Estimates the Competent Person is Andrew Dawes, a Principal Geologist employed by Measured Group Pty Ltd. All of the Competent Persons are Members or Fellows of the Australasian Institute of Mining and Metallurgy (AusIMM), Australian Institute of Geoscientists (AIG) or Recognised Professional Organisation (RPO) and consent to the inclusion in this report of the matters based on their information in the form and context in which it appears. All Competent Persons named in this statement have sufficient experience which is relevant to the style of mineralisation and types of deposits under consideration and to the activity which he/she has undertaken to qualify as a Competent Person as defined in the in the 2012 Edition of the 'Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves'.
