## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

---

### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2022 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://cypriummetals.com/investor-centre/financial-reports/annual-reports/>.

---

### 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

## 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

---

## 3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – GARY COMB

### 3.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Gary Comb, who has served as a Director since 17 June 2019 and was last re-elected on 31 May 2021, retires by rotation and seeks re-election.

### 3.2 Qualifications and other material directorships

Mr Comb is an engineer with over 30 years' experience in the Australian mining industry, with a strong track record in successfully commissioning and operating base metal mines. He was Chairman of Finders Resources Limited from 2013 until its takeover in 2018. Mr Comb was previously the Managing Director of Jabiru Metals Limited and the CEO of BGC Contracting Pty Ltd.

Mr Comb is current Chairman of Boab Metals Limited (ASX:BML).

### 3.3 Independence

If re-elected the Board considers Mr Comb will be an independent Director.

### 3.4 Board recommendation

The Board has reviewed Mr Comb's performance since his appointment to the Board and considers that Mr Comb's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Comb and recommends that Shareholders vote in favour of Resolution 2.

---

## 4. RESOLUTION 3 – ELECTION OF DIRECTOR – JOHN FEATHERBY

### 4.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr John Featherby, having been appointed by other Directors on 13 April 2023 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

#### **4.2 Qualifications and other material directorships**

Mr Featherby has extensive experience in the stockbroking and wealth management industry. Mr Featherby joined Hartley Poynton (now EurozHartleys) in 1987 from State Treasury, was appointed a Director in 2003 continuing through to 2018 serving as Chairman for seven years in that period. His skills in securing finance, corporate relations and business development will be integral to the Company's strategic review on all assets in the company.

#### **4.3 Independence**

John Featherby has no interests, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

If elected the Board considers John Featherby will be an independent Director.

#### **4.4 Other material information**

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of Mr Featherby.

John Featherby has confirmed that he considers he will have sufficient time to fulfil his responsibilities as a Non-Executive Director of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Non-Executive Director of the Company.

#### **4.5 Board recommendation**

The Board has reviewed Mr Featherby's performance since his appointment to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of John Featherby and recommends that Shareholders vote in favour of Resolution 3.

### **5. RESOLUTION 4 – APPROVAL OF 7.1A MANDATE**

#### **5.1 General**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of \$80,321,813 (based on the number of Shares on issue and the closing price of Shares prior to the Company entering into voluntary suspension on the ASX on 20 February 2023).

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

## **5.2 Technical information required by Listing Rule 7.1A**

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 4:

### **(a) Period for which the 7.1A Mandate is valid**

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

### **(b) Minimum price**

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 5.2(b)(i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for:

- (i) evaluating and financing long life mine development scenarios at the Nifty Copper Mine (currently in care and maintenance);
- (ii) continued exploration at the Company's other copper assets, comprising:
  - (A) the Maroochydore Copper Project;
  - (B) the Murchison Copper Projects; and
  - (C) the Paterson Exploration Project (subject to a farm-in agreement with IGO),
- (iii) general working capital in respect of the existing projects and corporate activities; and
- (iv) costs of the issues.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the market price at which Shares were last traded on 20 February 2023 prior to the Company entering into voluntary suspension and the number of Equity Securities on issue or proposed to be issued as at 12 April 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.055	\$0.11	\$0.17
			50% decrease	Issue Price	50% increase
				Funds Raised	
<b>Current</b>	730,198,300 Shares	73,019,830 Shares	\$4,016,090	\$8,032,181	\$12,048,271
<b>50% increase</b>	1,095,297,450 Shares	109,529,745 Shares	\$6,024,135	\$12,048,271	\$18,072,407
<b>100% increase</b>	1,460,396,600 Shares	146,039,660 Shares	\$8,032,181	\$16,064,362	\$24,096,543

\*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

**The table above uses the following assumptions:**

1. There are currently 730,198,300 existing Shares as at the date of this Notice of Meeting.
2. The issue price set out above is the market price at which Shares were last traded on the ASX on 20 February 2023 prior to the Company entering into voluntary suspension (being \$0.11).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 31 May 2022 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 31 May 2022, the Company issued 56,481,921 Shares pursuant to the Previous Approval (**Previous Issue**), which represent approximately 7.54% of the total diluted number of Equity Securities on issue in the Company on 31 May 2022, which was 749,467,746.

Further details of the issues of Equity Securities by the Company pursuant to Listing Rule 7.1A.2 during the 12 month period preceding the date of the Meeting are set out below.

The following information is provided in accordance with Listing Rule 7.3A.6(b) in respect of the Previous Issue:

**Notes:**

1. Market Price means the closing price of Shares on ASX (excluding special crossings, overnight sales and exchange traded option exercises). 2. Fully paid ordinary shares in the capital of the Company, ASX Code: CYM (terms are set out in the Constitution).

**5.3 Voting Exclusion Statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

**6. RESOLUTION 5 – AMENDMENT TO CONSTITUTION**

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 5 is a special resolution which will enable the Company to amend its existing Constitution (**Amended Constitution**) to insert an additional clause 13A, which permits the use of technology at general meetings, including wholly virtual meetings, to the extent permitted under the Corporations Act, Listing Rules and applicable law as follows:
