DATED: 12 October 2023

BY ORDER OF THE BOARD

Ben Larkin

Company Secretary

Medallion Metals Limited

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders of the Company in connection with the business to be conducted at the Annual General Meeting to be held at 11:00 am (WST) on 14 November 2023 at:

Suite 1, 11 Ventnor Avenue, West Perth WA 6005

This purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

Financial Statements and Reports

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the remuneration report and the auditor's report.

There is no requirement for shareholders to approve these reports. The Chairman will allow a reasonable time for shareholders to ask questions about or make comments on the management of the Company. Shareholders will also be given a reasonable opportunity to ask the auditor questions about the conduct of the audit, and the preparation and content of the auditor's report, the accounting policies adopted by the Company and the independence of the auditor in relation to the conduct of the audit.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://medallionmetals.com.au/company-reports/>

1. Resolution 1 - Adoption of the Remuneration Report

The remuneration report for the Company is set out in the Company's 2023 Annual Report. The remuneration report outlines the Company's remuneration framework and the remuneration outcomes for the financial year the subject of the remuneration report for the Board and Key Management Personnel.

The Chairman will allow a reasonable opportunity for Shareholders to ask questions about, or make comments on, the remuneration report at the meeting.

Under the Corporations Act if, at two consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report, then a further resolution (**Spill Resolution**) may be required to be considered at the second annual general meeting as to whether a further meeting be convened to put certain Directors to re-election. The Directors to be put to re-election are those Directors, other than the Managing Director, who were Directors when the resolution to make the directors report was passed.

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the requirement for a Spill Resolution will not arise at this Meeting irrespective of the outcome of the vote on Resolution 1.

If you are appointing the Chair as your proxy, please note that the proxy form accompanying this Notice expressly authorises the Chair to vote any undirected proxies in favour of Resolution 1 even though the resolution is connected directly or

indirectly with the remuneration of a member of the Key Management Personnel. Accordingly, if you are appointing the Chair as your proxy and do not wish your proxy to vote in favour of Resolution 1, you will need to mark “against” or “abstain” where indicated in the proxy form in relation to Resolution 1.

2. Resolution 2 – Re-election of director – Mr John Fitzgerald

Clause 14.2 of the Constitution requires that at the Company's annual general meeting in every year, one-third of the Directors for the time being shall retire from office, or, if their number is not a multiple of 3, then the number as is appropriate so that no Director (except a Managing Director) shall hold office for a period in excess of 3 years.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation under clause 14.2 of the Constitution is eligible for re-election.

The Company currently has 4 Directors and accordingly 1 must retire.

Mr Fitzgerald, the Director longest in office since his last election, retires by rotation and seeks re-election.

Mr Fitzgerald has been a Director of the Company for a period of approximately 3 years since 5 October 2020.

Mr Fitzgerald is an experienced company director and resource financier. He has worked with the resources sector for 30 years providing corporate advisory, project finance and commodity risk management services to a large number of companies in that sector. He has previously held senior positions at NM Rothschild & Sons, Investec Bank Australia, Commonwealth Bank, HSBC Precious Metals and Optimum Capital.

Mr Fitzgerald is currently a non-executive director of the following ASX listed companies Northern Star Resources Ltd and Turaco Gold Ltd.

The Board considers that Mr Fitzgerald will, if re-elected, qualify as an independent Director.

The Board (other than Mr Fitzgerald who has a material interest in the outcome of Resolution 2) supports the re-election of Mr Fitzgerald as a Director.

3. Resolution 3 – Additional 10% Placement Facility – Listing Rule 7.1A

3.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting by way of special resolution to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**) to increase this 15% limit by an extra 10% to 25%.

The Company is an Eligible Entity, meaning it is an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less.

If Shareholders approve Resolution 3, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (as set out in section 3.2 below).

The effect of Resolution 3 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rule 7.1 and 7.1A without any further Shareholder approval. There are no proposed issues by the Company under this proposed Resolution if the Resolution is passed.

If Resolution 3 is not passed then the Company will not have the availability of the additional 10% Placement Capacity to issue Equity Securities without Shareholder approval provided under ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in Listing Rule 7.1. Accordingly, if the Company intends to issue securities over and above its placement capacity under ASX Listing Rule 7.1 then Shareholder approval will be required to issue such securities.

3.2 **Listing Rule 7.1A**

Listing Rule 7.1A enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity under Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000 or less.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of less than \$300,000,000. If however on the date of the Meeting the Company's market capitalisation exceeds \$300,000,000, then Resolution 3 will no longer be effective and will be withdrawn.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has 1 class of quoted Equity Securities on issue, being the Shares (ASX Code: MM8).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A is the number of Shares on issue 12 months before the date of issue or agreement to issue:
- (a) plus the number of Shares issued in the previous 12 months under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
 - (b) plus the number of fully paid ordinary securities issued in the previous 12 months on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued more than 12 months before immediately preceding the date of issue or agreement to issue; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
 - (c) plus the number of fully paid ordinary securities issued in the last 12 months under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (i) the agreement was entered into more than 12 months before; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
 - (d) plus the number of any other fully paid ordinary securities issues in the previous 12 months with approval under Listing Rule 7.1 or 7.4;
 - (e) plus the number of partly paid shares that became fully paid in the previous 12 months immediately preceding the date of issue or agreement to issue; and
 - (f) less the number of Shares cancelled in the previous 12 months immediately preceding the date of issue or agreement to issue.
- D is 10%.
- E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months immediately preceding the date of issue or agreement to issue where the issue or agreement has not been subsequently approved by the holders of Ordinary Securities under ASX Listing Rule 7.4.

3.3 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution 3:

(a) Minimum Price

The minimum cash consideration per security at which existing quoted Equity Securities may be issued under the 10% Placement Capacity is 75% of the volume weighted average market price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in section (i) above, the date on which the Equity Securities are issued.

(b) Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting;
- (iii) the time and date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) Purpose of Issue under 10% Placement Capacity

The Company must issue Equity Securities under the 10% Placement Capacity for cash consideration in which case the Company intends to use funds raised for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's current assets (funds would then be used for project, feasibility studies and ongoing project administration), for general working capital purposes and for all other expenditure and investments the Directors deem necessary in order to achieve the Company's objectives from time to time.

The Company will comply with the disclosure obligations under Listing Rules 2.7, 3.10.3 and 7.1A(4) upon issue of any Equity Securities under the 10% Placement Capacity.

(d) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares

on issue (Variable 'A' in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in Listing Rule 7.1A2)	Potential Dilution and Funds Raised			
	Issue Price (per Share)	\$0.035 50% decrease in Issue Price	\$0.07 Issue Price	\$0.14 100% increase in Issue Price
307,528,252 (Current Variable 'A')	Shares issued - 10% voting dilution	30,752,825 Shares	30,752,825 Shares	30,752,825 Shares
	Funds raised	\$1,076,349	\$2,152,698	\$4,305,396
461,292,378 (50% increase in Variable 'A')	Shares issued - 10% voting dilution	46,129,238 Shares	46,129,238 Shares	46,129,238 Shares
	Funds raised	\$1,614,523	\$3,229,047	\$6,458,093
615,056,504 (100% increase in Variable 'A')	Shares issued - 10% voting dilution	61,505,650 Shares	61,505,650 Shares	61,505,650 Shares
	Funds raised	\$2,152,698	\$4,305,396	\$8,610,791

*The number of Shares on issue (Variable 'A' in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- (i) based on the total number of 307,528,252 fully paid ordinary Shares on issue on the ASX as at 29 September 2023;
- (ii) the issue price set out above is the closing price of the Shares on the ASX on 29 September 2023;
- (iii) the Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity;
- (iv) the Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in

Listing Rule 7.2 or with approval under Listing Rule 7.1;

- (v) the issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options or Performance Rights are exercised into Shares before the date of issue of the Equity Securities under the 10% Placement Capacity;
- (vi) the calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own individual shareholding depending on their specific circumstances;
- (vii) this table does not set out any dilution pursuant to approvals under Listing Rule 7.1;
- (viii) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%; and
- (ix) the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares (being the Equity Securities in the class the subject of the Listing Rule 7.1A mandate) may be significantly lower on the issue date than on the date of the Meeting; and
 - (ii) the Company's Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.
- (e) Allocation policy under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s). The Company considers that it may raise funds under the 10% Placement Capacity although this cannot be guaranteed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board reserves the right to determine at the time of any issue of Equity Securities under Listing Rule 7.1A, and the allocation policy that the Company will adopt for that issue.

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods and structures for raising funds available to the

- Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;

3.4 **Voting Exclusion**

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 3.

4. **Resolution 4 – renewal of proportional takeover provisions in the constitution**

4.1 **General**

Section 648G(1) of the Corporations Act provides that a company's proportional takeover approval provisions, unless sooner omitted from its constitution, cease to apply at the end of 3 years from adoption or renewal as appropriate unless otherwise specified.

When the provisions cease to apply the Company's constitution is modified by omitting the provisions.

A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e. by special resolution of shareholders)

The Company's constitution (including the proportional takeover provisions set out in clause 36) was adopted on 30 July 2020 and amended on 29 November 2022. Accordingly, the proportional takeover provisions included in the Constitution applied until 30 July 2023.

Resolution 4 is a special resolution which will enable the Company to modify its Constitution by renewing clause 36 for a period of 3 years from the date of Shareholder approval. It is noted that Shareholder approval will not result in a change to the wording of clause 36.

The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to 3 years on each occasion.

A copy of the Constitution was released to ASX on 18 March 2021 and is available for download from the Company's ASX announcements platform.

4.2 **Proportional takeover provisions (clause 36 of Constitution)**

(a) **General**

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

The proportional takeover provisions set out in clause 36 of the Constitution provides that a proportional takeover bid for Shares may only proceed after

the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

(b) Information required by section 648G of the Corporations Act

(i) Effect of proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed or the deadline for obtaining such approval has passed.

(ii) Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

(iii) Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

(iv) Advantages and disadvantages of proportional takeover provisions during the period in which they have been in effect.

The Directors consider that the proportional takeover provisions had no advantages or disadvantages for them during the period in which they have been in effect.

The advantages and disadvantages of the proportional takeover provisions for Shareholders include those set out immediately below, which were applicable during the period in which they have been in effect.

(v) Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (A) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (B) assisting in preventing Shareholders from being locked in as a minority;
- (C) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (D) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (A) proportional takeover bids may be discouraged;
 - (B) lost opportunity to sell a portion of their Shares at a premium; and
 - (C) the likelihood of a proportional takeover bid succeeding may be reduced.
- (vi) Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of renewing the proportional takeover provisions and as a result consider that renewal of the proportional takeover provision set out in clause 36 of the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 4.

5. Resolutions 5 and 6 – Ratification of prior issue – Shares

5.1 Background

As announced by the Company to ASX on 13 July 2023, the Company completed a placement of 30,769,231 Shares to professional and sophisticated investors at an issue price of \$0.065 per Share (**Placement**) (**Placement Shares**).

On 24 July 2023, a total of 27,594,877 Placement Shares were issued under the Company's placement capacity afforded under Listing Rule 7.1.

On 24 July 2023, a total of 3,174,354 Placement Shares were issued under the Company's placement capacity afforded Listing Rule 7.1A.

Resolution 5 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of 27,594,877 Placement Shares.

Resolution 6 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of 3,174,354 Placement Shares.

5.2 Resolution 5 – Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolution 5 seeks Shareholder approval to the issue of the Placement Shares for the purposes of Listing Rule 7.4.

5.3 **Resolution 6 – Listing Rule 7.1A**

Listing Rule 7.1A provides that, in addition to issues permitted without prior shareholder approval under Listing Rule 7.1, an entity that is eligible and obtains shareholder approval under Listing Rule 7.1A may issue or agree to issue during the period the approval is valid a number of quoted equity securities which represents 10% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period as adjusted in accordance with the formula in Listing Rule 7.1.

Where an eligible entity obtains shareholder approval to increase its placement capacity under Listing Rule 7.1A then any ordinary securities issued under that additional placement capacity:

- (a) will not be counted in variable “A” in the formula in Listing Rule 7.1A; and
- (b) are counted in variable “E”,

until their issue has been ratified under Listing Rule 7.4 (and provided that the previous issue did not breach Listing Rule 7.1A or 12-months has passed since their issue.

By ratifying the issue the subject of Resolution 6, the base figure (i.e. variable “A”) in which the Company’s 15% and 10% annual placement capacities are calculated will be a higher number which in turn will allow a proportionately higher number of securities to be issued without prior Shareholder approval.

5.4 **Technical information required by Listing Rule 14.1A**

If Resolution 5 is passed, the Placement Shares will be excluded in calculating the Company’s 15% placement capacity under Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 5 is not passed, the Placement Shares will be included in calculating the Company’s 15% placement capacity under Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 6 is passed, the Placement Shares will be excluded in calculating the Company’s 10% placement capacity under Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 6 is not passed, the Placement Shares will be included in calculating the Company's 10% placement capacity under Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

5.5 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the Placement Shares:

 - (ii) issued more than 1% of the issued capital of the Company;
- (b) a total of 27,594,877 Shares were issued pursuant to the Company's placement capacity under Listing Rule 7.1;
- (c) a total of 3,174,354 Shares were issued pursuant to the Company's placement capacity under Listing Rule 7.1A;

The Company has spent approximately \$88,599 (net of operating receipts of \$1,908,780) of the funds raised from the Placement; and
- (h) the Shares were not issued under an Agreement.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolution 7 seeks Shareholder approval to the grant of the Broker Options for the purposes of Listing Rule 7.4.

6.3 **Technical information required by Listing Rule 14.1A**

If Resolution 7 is passed, the Broker Options will be excluded in calculating the Company's 15% placement capacity under Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 7 is not passed, the Broker Options will be included in calculating the Company's 15% placement capacity under Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.
