1. Introduction

This Explanatory Memorandum is provided to shareholders Panther Metals Ltd ACN 614 676 578 (**the Company**) to explain the resolutions to be put to Shareholders at the Annual General Meeting to be held at Level 2, 22 Mount Street, Perth WA 6000 on 26 May 2023 commencing at 9.00am AWST.

The Directors recommend Shareholders read the accompanying Notice of Meeting and this Explanatory Memorandum in full before making any decision in relation to the resolutions.

Subject to the abstentions noted below, the Directors unanimously recommend that Shareholders vote in favour of all Resolutions. The Chair of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Terms used in this Explanatory Memorandum are defined in Section 8.

2. Financial Statements and Reports

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2022 together with the declaration of the Directors, the Directors' report, the Remuneration Report, and the auditor's report.

There is no requirement for shareholders to approve these reports. However, time will be allowed during the annual general meeting for consideration by shareholders of the financial statements and the associated directors' and auditors' reports.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at **www.panthermetals.com.au**

The Company's Annual Report is placed before the Shareholders for discussion.

No voting is required for this item.

3. Resolution 1: Adoption of Remuneration Report

3.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the Company's remuneration arrangements for the directors and senior management of the Company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

3.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the Company who were in office when the directors' report (as included in the Company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the Company is approved will be the directors of the company.

3.3 Previous voting results

Since this is the Company's first annual general meeting as a listed company, the Spill Resolution is not relevant for this Annual General Meeting.

4. Resolution 2: Re-election of Director – Mr Ranko Matic

4.1 General

Clause 15.2 of the Company Constitution (which mirrors ASX Listing Rule 14.4) requires that at the Company's annual general meeting in every year, one-third of the Directors, or, if their number is not a multiple of 3, then the number nearest to but not exceeding one-third, shall retire from office, provided always that no Director (except the Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

Mr Matic was first appointed a Director on 27 January 2021 (prior to the Company's listing on the ASX) and was elected at the AGM held on 27 May 2022.

Accordingly, Mr Matic retires by rotation at the Annual General Meeting and seeks re-election.

4.2 Qualifications and other material directorships

Mr Matic is a Chartered Accountant with over 30 years' experience in the areas of financial and executive management, accounting, audit, business and corporate advisory. Mr Matic has provided services to a large number of mining and exploration companies. He has acted as a Director, Company Secretary and CFO for both public and private companies, with a particular focus on the ASX-listed market. Through these positions he has been involved in an advisory capacity to over 40 initial public offerings and other re-capitalisations and re-listings of ASX companies in the last 20 years. Mr Matic holds a Bachelor of Business and is a member of the Institute of Chartered Accountants in Australia and New Zealand.

Mr Matic and is currently the Executive Director, Chief Financial Officer and Company Secretary (joint) of Panther Metals Ltd.

Mr Matic is the Executive Chairman of Cavalier Resources Limited (ASX: CVR), and is a Non-Executive Director of Lycaon Resources Ltd (ASX: LYN) and Locafy Limited (Nasdaq).

Mr Matic is not considered to be independent due to his executive role with the Company.

4.3 Board recommendation

The Board supports the re-election of Mr Matic as a Director of the Company and recommends (with Mr Matic abstaining) that Shareholders vote in favour of Resolution 2.

5. Resolution 3: Renewal of Proportional Takeover Provisions

5.1 Background

Resolution 3 seeks Shareholders approval for the renewal of the proportional takeover provisions which are contained in clause 37 of the Company's Constitution. A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Under the Corporations Act, the provisions in clause 37 must be renewed every three years, or they will cease to have effect.

The current provisions were adopted when a replacement company constitution was approved by the then sole shareholder, Panther Metals plc, on 15 February 2021. Accordingly, the provisions will expire on 15 February 2024, which will be prior to the 2024 annual general meeting of Shareholders.

5.2 Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium.

These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

(a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;

(b) assisting in preventing Shareholders from being locked in as a minority;

(c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and

(d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

(a) proportional takeover bids may be discouraged;

(b) lost opportunity to sell a portion of their Shares at a premium; and

(c) the likelihood of a proportional takeover bid succeeding may be reduced.

5.3 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 3.

The Chair intends to vote all available proxies in favour of Resolution 3.

6. Resolution 4: Approval of 10% Placement Capacity

6.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**10% Placement Capacity**).

For personal use only

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of $300,000,000 or less. The Company is an eligible entity for these purposes.

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the 10% Placement Capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the 10% Placement Capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

6.2 Information on 10% Placement Capacity

(a) Quoted securities

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of Equity Securities of the Company that are quoted on ASX.

As at the date of this Notice, the Company currently has one class of Equity Securities quoted on the ASX, being Ordinary Shares (ASX Code: PNT).

(b) Formula for 10% Placement Capacity

If this Resolution 4 is passed, the Company may issue or agree to issue, during the 12 month period after this Meeting, the number of Equity Securities calculated in accordance with the following formula:

Additional Placement Capacity = (A x D) – E

A = the number of fully-paid ordinary securities on issue at the commencement of the Relevant Period:

- plus the number of fully-paid ordinary securities issued in the Relevant Period under an exception in ASX Listing Rule 7.2 other than exception 9, 16, or 17;
- plus the number of fully-paid ordinary securities issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
- the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
    - the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully-paid ordinary securities issued in the Relevant Period under an agreement to issue securities within rule 7.2 exception 16 where:
    - the agreement was entered into before the commencement of the Relevant Period; or
    - the agreement or issue was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the Relevant Period with approval under Listing Rule 7.1 or ASX Listing Rule 7.4;
- plus the number of partly-paid ordinary securities that became fully-paid in the Relevant Period;
- less the number of fully-paid ordinary securities cancelled in the Relevant Period;

D = 10%; and

E = the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

For personal use only

6.3 Listing Rule requirements

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 4:

(a) Period for which the 10% Placement Capacity is valid

The 10% Placement Capacity will commence on the date of the Meeting at which the Shareholder approval is obtained and expire on the first to occur of the following:

(i) the date that is 12 months after the date of this Meeting (i.e. 26 May 2023), presuming Shareholder approval is obtained;

(ii) the time and date of the Company's next annual general meeting; and

(iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price at which equity securities may be issued

Any Equity Securities issued under the 10% Placement Capacity will be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

(i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or

(ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

(c) Use of funds raised under 10% Placement Capacity

The Company intends to use funds raised from issues of Equity Securities under the 10% Placement Capacity for:

(i) the acquisition of new resources, assets and investments (including expenses associated with such an acquisition);

(ii) continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration);

(iii) the development of the Company's current business; and

(iv) general working capital.

(d) Risk of voting dilution

If Resolution 4 is passed and the Company issues securities under the 10% Placement Capacity, then there is a risk to existing Shareholders of economic and voting dilution, including the risk that:

(i) the market price for Equity Securities in the same class may be significantly lower on the issue date of the new Equity Securities than on the date Shareholder approval is obtained for this Resolution; and

(ii) the new Equity Securities may be issued at a price that is at a discount to the market price for Equity Securities in the same class on the issue date.

The table below shows the potential dilution of existing Shareholders following the issue of Equity Securities under the 10% Placement Capacity (based on the formula set out above) using difference variables for the number of issued Ordinary Shares and the market price of Ordinary Shares. The table overleaf is calculated using the closing market price of Shares and the number of Equity Securities on issue as at 5 April 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

For personal use only

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	**$0.0600 (50% decrease in current issue price)**	**$0.1200 (Current issue price)**	**$0.1800 (50% increase in current issue price)**
54,625,001 (Current Variable A)	**Shares issued – 10% voting dilution**	5,462,500	5,462,500	5,462,500
	Funds raised	$327,750	$655,500	$983,250
81,937,502 (50% increase in Variable A)	**Shares issued – 10% voting dilution**	8,193,750	8,193,750	8,193,750
	Funds raised	$491,625	$983,250	$1,474,875
109,250,002 (100% increase in Variable A)	**Shares issued – 10% voting dilution**	10,925,000	10,925,000	10,925,000
	Funds raised	$655,500	$1,311,000	$1,966,500

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

(i) There are 54,625,001 Shares on issue as at the date of this Notice (ASX Code: PNT).

(ii) The issue price set out above is the closing price of the Shares on the ASX on 5 April 2023.

(iii) The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.

(iv) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.

(v) The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.

(vi) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

(vii) This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 unless otherwise disclosed.

(viii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

(ix) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

(1) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and

(2) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) Allocation under the 10% Placement Capacity

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

(1) the purpose of the issue;

(2) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;

(3) the effect of the issue of the Equity Securities on the control of the Company;

(4) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;

(5) prevailing market conditions; and

(6) advice from corporate, financial and broking advisers (if applicable).

(f) Previous approval under ASX Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 27 May 2022 (**Previous Approval**).

The Company has not made any issues under Listing Rule 7.1A in the period since the previous annual general meeting.

6.4 Voting Exclusion

A voting exclusion statement is included in this Notice of Meeting. As at the date of this Notice of Meeting, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on this Resolution.

6.5 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 4.

The Chair intends to vote all available proxies in favour of Resolution 4.

STEP 1 – APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise.
