- *Completed a review of the Company's Southern Cross Tenements and have identified areas of interest for next round of drilling.*
- *Changed the Company's name XTC Lithium Limited, to more accurately reflect the proposed future operations of the Company.*
- *Completed Consolidation of two hundred (200) existing shares into one (1) share.*

XTC Lithium Limited (ASX: XTC) (XTC, or the **Company**) is pleased to provide its latest quarterly activities report for the quarter ended 31 December 2023.

South America – Carachi Pampa Lithium Brine Project (Carachi Project)

During the December 2023 Quarter:

The Carachi Project comprises the La Sofia, Luz Maria, La Fortuna, La Fortuna 1, Rita and Rita I, and La Potola properties, which cover over 21,900ha on Carachi Pampa salt flat east of Lake Resources (ASX: LKE) project in Catamarca Province, Argentina over which the Company holds rights to acquire.

The Company is looking to target the lower hyper saline aquifer running between 200 and 750m deep. This aquifer is in the centre of the water basin and due to its conductivity levels, a big target for this year's exploration campaign.

Brine testing is currently under review by Mr Pindar and his team. Supplementary Exploration Environmental Impact Assessment (Ampliacion de Informe de Impacto Ambiental) has been submitted to the local authorities for approval. The additional information presented to the authorities included, Environmental surveys and regional mapping, archaeological report, Weather and climate report, Hydrology, Social Studies, Environmental Plan, and others as required by local legislation.

ASX ANNOUNCEMENT

31 January 2024

As a result of the previously completed VES mapping, the Company has identified 6 drilling targets and has requested permission from the relevant authorities in Catamarca Argentina.

Management has been in discussions with third parties familiar with Argentine operating conditions to support the Company's operations at the Carachi Pampa Lithium Brine Project.

WESTERN AUSTRALIA – SOUTHERN CROSS GOLD PROJECT

During the December 2023 quarter:

The Company with it consulting geological team completed a review of the Company's Southern Cross Tenements and have identified areas of interest for next round of drilling. Management is currently considering the options available and will make a decision in the near future. Previous drilling has identified both Pegmatite Lithium and gold intersections.

CORPORATE

Board and Management Changes

Mr. Matthew Beem an Executive Director Finance Latin America and has assembled a team to oversee financial operations in Argentina.

The Company had incorporated two new subsidiaries in Argentina:

- Compania Minera la Falda S.A., incorporated in March 2023 – which now holds title to all of the Company's exploration tenements in Argentina.
- Investment Advisory S.A. incorporated in March 2023 – for the purpose of maintaining and managing the financial affairs of operations on behalf of the Company in Argentina,

both of which are wholly owned and directly held subsidiaries of XTC and will provide an enhanced 'line of sight' into Argentinian administration and accounting to ensure financial management, records and reporting are improved.

At the start of August 2023 XTC acquired an office in Buenos Aires Argentina, and appointed a qualified inhouse accountant and appropriate administrative staff so as to have an increased physical presence in Argentina and to improve financial management, records and reporting in Argentina.

Currently being in the process of appointing an independent, third-party international audit firm, conversant with Argentine business operating environment and requirements of Australian accounting and auditing standards.
