General Information

ISO 9000 is a set of standards for quality management systems that is accepted around the world. Currently more than 90 countries have adopted ISO 9000 as national standards.

When you purchase a product or service from an organization that is registered to the appropriate ISO 9000 standard, you have important assurances that the quality of what you receive will be as you expect. In addition, with the latest revision of the standard, quality objectives, continual improvement, and monitoring of customer satisfaction provide the customer with increased assurances that their needs and expectations will be met.

The standards apply uniformly to organizations of any size or description.

Why we are ISO Registered?

Alfa Adhesives, Inc. is ISO 9001 registered to insure that a sound quality management system is in place and operational.
