

Scholarship Committee (Ad Hoc) v1

Committee Charter

The purpose of the Scholarship Committee (“Committee”) is to review and select recipients of the NANOG scholarships offered each year. General criteria for the Committee include:

- The Committee consists of at least one NANOG Board Member and at least four NANOG Members in good standing, all of whom are appointed by the Board.
- All Committee members, and anyone working with the program, will be required to sign the appropriate NANOG nondisclosure agreements.
- Committee members must establish a regular meeting schedule that is sufficient to meet the program’s objectives.
- A Committee member serves a two year term, and no more than two consecutive terms.

Program Vision

Working together to build the Internet of tomorrow is an essential part of what NANOG aspires to do. Key to building the "Internet of tomorrow" is to engage and inspire those who will build tomorrow's Internet. The Scholarship Program awards scholarships annually to students that will be the “Internet of tomorrow.”

Scope of Work

The Committee will work to ensure the scholarship application timeline is followed, understand the review and rating process, and select applicants to be recipients of the NANOG Scholarships offered each year.

Deliverables

- Review the questions asked in the application process
- Follow the Scholarship timeline for deadlines
- Rank the applications based on the selection criteria*
- Confirm the final group of recipients and report to the Board of Directors

*Selection Criteria: Scholarship recipients are selected on the basis of academic record, demonstrated leadership and participation in school and community activities, honors, work experience, statement of goals and aspirations, unusual personal or family circumstances, outside appraisal, and 500 word statement describing how the scholarship money would impact their college career. Financial need is not considered.
