STUDY at the top engineering + computer-science programs in the US.

CONNECT WITH INDUSTRY INFLUENCERS

NANOG is like a second home to many of the industry's brightest, most influential minds. A collaboration with us provides the opportunity to share your technologies and services with the professionals currently shaping our Internet ecosystem, and connect with the next generation of network engineers, operators, and architects who will build on that legacy.

NANOG attendees are the superusers and leaders who spearhead the mass adoption of new networking technologies. As a sponsor of NANOG, we gain access, exposure, and honest dialog with this passionate yet analytical community.

EMPOWER PEOPLE AND INSPIRE CHANGE

As a nonprofit organization, sponsorships help NANOG's mission-driven programs in outreach and education thrive. With your support, we're able to provide greater access to NANOG's tools, resources, and programming in remote, resource-strapped areas of North America.

CREATE IMPACT AT EVERY LEVEL

NANOG sponsorships are tailored to be successful for a variety of organizations and budgets. Opportunities start at just \$3,000 and provide a number of different avenues for impactful engagement with our community.
