NANOG 80 Women in Tech talking points

Ice Breaker
- What was the most interesting job you've ever held? Does not have to be networking related!
- What has been the best perk of COVID-19 for you? What is your silver lining to the changes brought on by the pandemic?

COVID related challenges
- How is your work/life balance going with the continued work from home challenges?
- Do you have kids and if so what challenges has that added to your daily routines?
  - Are your kids back in school? Virtual/In Person? How do you juggle their needs w/ your daily work schedule?
- Do you have a good support structure at home/work? What things do you find yourself wishing you had better support around?

NANOG specific
- What things can we do in between meetings to keep the WiT community more connected? Brainstorm with your group and let the Inclusion & Diversity subcommittee know!
- Would you be interested in:
  - Virtual happy hours?
  - WiT mailing list?
  - Other ideas?
- How can we all engage and reach out to new members in the Women in Tech community who have never been to NANOG before?
- What sort of cooperative efforts with other women's groups would you like to see NANOG try to engage in? For example we have been talking with the WTF (Women's Tech Forum) and are trying to host something collaborative in the future. What other groups should we reach out to?
