# NANOG and Courageous Women

- An operators' collective to make the Internet better
- What makes NANOG an incredible community, also makes it intimidating
- Courageous women helping you not feeling “small”
- What does it mean to be courageous

# Too many to highlight

- What do we have in common?
  - We are Courageous
  - We are driven
  - We are passionate about our great community
    - Sharing knowledge
    - Building friendships and mentorship
    - Showing up

# Indulge me with an Experiment

# What did I learn?

- Don't let you (your fear) get in your way of doing
- Build your support system through give and take
- Know your purpose – define it on your own terms
- Lead by example

# TAKE PART

# Thank you
