Conference Opening

Tina Morris

NANOG Board Chair

Thanks for joining us in-person or virtually!

NANOG™

Welcome to NANOG 83

- Our first in-person meeting in 21 months!
- Also our first hybrid meeting featuring in-person + virtual attendees
- 307+ In-person Registrations
- 198+ Virtual Registrations

NANOG™

Keeping our Community Safe

- In order to host everyone safely, we required all in-person attendees to be fully vaccinated against COVID-19.
- We understand that the decision was not without its controversy.
- However the NANOG Board + Staff thought it was the best way to protect the health + safety of our community.

Program Tips

- Virtual Chat How-To:
  - Use the “Chat” tab to talk with other attendees
  - Use the “Q+A” tab to ask a question during a presentation
    - Even in person attendees can submit questions this way!
  - Use the “Help” tab to receive technical support
- Agenda + Presentation Materials

Program Notes

- Newcomers Orientation
  - We live streamed this, if you missed it check out our YouTube channel next week for the video.
- Women in Tech lunch
  - In person and Zoom options tomorrow (Tuesday)
- Wednesday Lunch - on your own
- If you are attending virtually, we will be streaming the Internet Innovator interviews during the lunch hours.

Reminders

- Our Call for Presentations are always open, not just for the next NANOG but for the ones after as well
- Your feedback on the surveys is more important than ever, let us know what worked, what didn't work and how we can improve this hybrid experience going forward!
- One of Monday's survey questions will be used during a Tuesday presentation, so please try to complete that survey tonight!

NANOG 83 Surveys

- Surveys online
  - https://www.nanog.org/surveys
    - Daily Surveys available for Monday, Tuesday, Wednesday
    - Hackathon Survey available
  - Surveys close Friday, November 5, 2021
