Overview

- Fee Harmonization
- 2022 Membership Structure
- IRR Nonauth Update
- ARIN 49 Meeting
- Waitlist and Transfers
Fee Harmonization

• As of 1 Jan 2022, End Users have been aligned with the RSP fee schedule

• Customer breakdown:
  • RSA: 15,750
  • LRSA (subject to fee cap): 756
  • ASN Only: 7,619
  • Legacy: 15,155

• Transactional Fee Changes
  • Transfers $300 to $500
  • Organization Create ($50) and Organization Recovery ($100)
2022 Membership Structure

• General Members (EXISTING)
  • General members are entities that have a valid ARIN Registration Services Agreement (RSA or LRSA) for IPv4 and/or IPv6 address space. General members also must express commitment to participating in ARIN elections.

• Service Members (NEW)
  • Service members are entities that have a valid ARIN Registration Services Agreement (RSA or LRSA) for IPv4 and/or IPv6 address space. If they meet eligibility requirements may receive General Member status upon request.
IRR Nonauth Update

• Retirement of ARIN Non-Authenticated IRR is scheduled for 4 April 2022

• If you have questions about this transition or need assistance, you can contact us by:
  • Submitting an Ask ARIN ticket or chat with us using your ARIN Online account
  • Emailing the Routing Security Team at routing.security@arin.net
  • Contacting the Registration Services Help Desk by phone Monday through Friday, 7:00 AM to 7:00 PM ET at +1.703.227.0660
ARIN 49 Meeting

• Our next Public Policy and Members Meeting is scheduled for April 24-27 in Nashville, TN
  • Will be a hybrid meeting with both in person and virtual options for attendees

• Registration is now open!
  • https://arin.swoogo.com/arin49
Waitlist and Transfers
