Q+A and Open Comments

A photograph of three people, two men and one woman, smiling and looking towards the camera. They are in a conference or workshop setting, with laptops and name tags visible. The man on the left has a beard and is wearing a dark hoodie. The man in the middle is wearing a plaid shirt and a name tag. The woman on the right is wearing a dark hoodie with 'NANO' and a peace sign on the sleeve. The background is blurred, showing other people and equipment.

Thank you

Working together to building the Internet of tomorrow.
