OUR VISION

★ “At Hope Nursery School we aspire to help every child flourish with **hope** and **joyful** beginnings in a safe, nurturing environment, where we can learn together and help each other **shine**.” ★

OUR MISSION

At Hope Nursery School, our mission is to nurture confident, curious and happy learners within a caring, safe and stimulating environment where we grow step by step, learning together.

- 1 We recognise every child as **unique and capable**. We design joyful learning experiences that promote well being, independence, creativity and a deep sense of belonging, valuing the steps each child has already taken.
- 2 We deliver high quality, play based learning led by skilled, reflective staff working as a united team. We aim to spark wonder, delight and discovery, ensuring each child is supported to make progress across all areas of development.
- 3 Leaders and governors guide our school with **vision, commitment and care**. We ensure strong communication, consistent approaches, and a culture of continuous improvement that supports children, families and staff to flourish.
- 4 We are proud to be a nursery at the heart of our community. By working closely with families, local services and our partner nursery, we provide enriched experiences that broaden children's understanding of the world and strengthen community ties.
