A Thuismitheoirí,

We are planning to teach the personal safety education programme called Stay Safe over the next few weeks, in all classes. The aim of the Stay Safe programme is to teach children personal safety skills so they can look after themselves in situations which could be upsetting or dangerous. It deals initially with common situations which most children will experience at some stage or other, e.g. getting lost or being bullied. The programme also teaches children the safety skills necessary to protect themselves from physical or sexual abuse and emphasises the importance of telling a trusted adult about any problems they have.

The Stay Safe programme is part of the Social, Personal and Health Education curriculum which all primary schools are required to implement. Co-operation between parents and teachers is essential to the success of this programme. It is important that parents are aware of the content of the Stay Safe lessons and are able to discuss the lessons with their children. Your child may bring home worksheets which will inform you on the topics being covered in class and how you can reinforce the messages at home. You can familiarise yourself with the content of the Stay Safe lessons at www.staysafe.ie/teachers/resources.htm. Please contact the school if you wish to discuss the programme further. Thank you for your co-operation.

Le meas,

Linda Nic an Bháird

PC Nuachtlitir Feabhra 2020

Thank you to all who collected for our Church Gate Collection in mid-January. The total collected was €538.69. The final total for the Halloween walk was €2,063 and €100 was collected for the Christmas Jumper Day for Crumlin Children's Hospital. We also collected €156 for our January non-uniform day, the proceeds of which are going towards the trip past pupil Katie Magnier is going on to India in March with the Hope Foundation.

Thanks to all who completed the uniform survey. Any decisions made on the back of the results will be shared as soon as possible.

We are currently planning on having individual school photos taken late March (date to be confirmed). We will share the details, such as cost, on the Facebook page but if you don't have access to Facebook, please email us on gaelscoilcnaspc@gmail.com and we will send them on when available.

Please note that our annual flag day is on Friday 5th and Saturday 6th June. The more collection points we have for this, the more we can raise from the general public without having to ask you, the parents, to donate money. We would urge a parent from every family to please spare an hour or 2 on these days. We've had very few collection points in the past and we haven't collected what we hoped. Hopefully the weather will be kind to us!
