

NUAHT LITIR 13/06/2022

Tuairiscí Dheireadh na Bliana:

Rachaidh tuairiscí scoile dheireadh na bliana chugaibh ar Aladdin an gCéadaoin seo 15ú Meitheamh. Tá sé rí-thábhachtach go dtuigeann gach duine go bhfuil siad scríofa do thuismitheoirí/chaomhnoirí na bpáistí amháin agus nach bhfuil siad scríofa do na páistí iad féin. Tugann na múinteoirí aiseolas rialta do na páistí faoi a ndul chun cinn agus tugtar é seo dóibh ar bhealach atá oiriúnach dóibh. Má tá cóip crua den tuairisc uait seol clúdach litreach chuig an oifig le do thoil.

End of Year Reports: The end of year school reports will be sent to you on Aladdin on Wednesday 15th June. It is important for everyone to understand that these are written for the children's parents/guardians and not for the children themselves. The teachers give regular feedback to the children in relation to their progress in a way that is appropriate for them. If you would like a hard copy of the report, please send in a self-addressed envelope to the office.

Scoil DEIS ó Mheán Fómhair 2022

From September 2022, our school will be included in the DEIS programme (Delivering Equality of Education in Schools). Schools were identified for inclusion in the programme through the refined DEIS identification model which is an objective, statistics based model. Schools were not required to apply for inclusion in the DEIS programme and the model has been applied fairly and equally to all schools.

The DEIS programme is the Department's main policy initiative to respond to educational disadvantage. The DEIS programme focuses on targeting additional resources to those schools included in the programme to ensure every child has an equal opportunity to achieve their potential.

Schools are assigned to DEIS Urban Band 1, DEIS Urban Band 2 or DEIS Rural on the basis of the location of the schools and its level of disadvantage. **Gaelscoil Charraig na Siúire is assigned to DEIS Urban Band 2.**

Múinteoir Samantha has been appointed to the shared HSCL post in the Gaelscoil. The HSCL scheme is a preventative strategy targeted at pupils at risk of not reaching their potential in the educational system because of background characteristics, which tend to adversely affect pupil attainment and school retention. The scheme seeks to establish partnership and collaboration between parents/guardians and teachers in the interests of children's learning. The scheme aims to bring parents/guardians closer to their children's learning and build the capacity of the parent/guardian to support and contribute to their children's successful experience in the education system. Each HSCL coordinator acts as a link between the home and the school, encouraging parents to become more involved in their children's education. The coordinator organises locally based activities aimed at encouraging greater contact between parents and teachers and liaises with local voluntary and statutory groups in the area.
