

Dear Parents and Guardians,

Please take note of the following points as we look forward to the beginning of the school year.

- Please ensure all items of clothing are clearly labelled with your child's name.
- Full school uniform should be worn. PE uniform (P4-P7) should only be worn on PE days.
- Please ensure that any medication (in particular inhalers), are kept in school with written instructions regarding when and how often they are to be used. Please ensure all medication is clearly labelled and is in date.
- Parents are reminded of the importance of consistent school attendance. If a child is unable to attend school, parents must inform the school office.
- School gates open at 8:40am and children will be supervised in the Assembly Hall from 8:45am.
- School registration will take place at 9:00am and lessons will begin at 9:05am. Please ensure children arrive in school on time.
- School dinners must be booked before 9:00am each day. The dinner menu for September is available to view on both our School Website and the School App.
- We remind parents to please update their profiles for our School App to ensure you receive messages specific to your child/children's new class group. To do this tap on the 3 dots logo in the top right corner and choose profile. Click on your child's new class group and save.

Kind regards,

Mr Tighe.
