Bí Cineálta!

We want everyone at our school to feel safe and happy.

If you think that you are being bullied or someone else is being bullied, you need to tell a teacher or another adult that you trust. They will know what to do to help.

Get Help!

Tell
Someone!

If a student tells a staff member that they think they are being bullied, we will:

- > Talk with the student
- > Ask the student what they want to happen
- > Work out a plan together
- > Talk to their parents
- > Talk to the other student(s) involved
- > Talk with the other student's parents

Please tell someone if
you think that you
are being bullied or
someone else is
being bullied.

Our school has as a Bí Cineálta policy
to try to stop bullying behaviour.

We look at this policy every year to see
what is working well or what could work
better.

We will ask you what you think.
